Extended Day Session III (1/3/12 - 2/16/12)

Eastern Point Day School is happy to announce the third session of our Extended Day Program! The new session will run Monday-Thursday for 7 weeks starting Tuesday, January 3rd and will end just in time for February vacation on Thursday, February 16th. We have arranged hands on activities, fun adventures, and creative learning experiences for all students in grades Pre-K through 8th.

Just like the last session these activities include an after school recess immediately following dismissal and individualized homework assistance. The program is open to the public so feel free to invite your friends. For students who are interested in attending a single class here and there without registering for the full 7 weeks, the cost per after school session will be \$20. Sibling discounts are available.

Mondays: "The Monthly Cruise " - Students will continue to work on the school newspaper, by bringing world news, opinion, sports, and local happenings to Eastern Point.
